**AKLANTA BHATTACHARYA, 2019 AIIMS QUALIFIER, NEET MARKS-605**

The Day when I was very confused about My AIIMS preparation I talked to my parents and then some of the Seniors. They suggested that Spectrum Eduventures must be the one thing that you might be looking for..... And today I don't regret my decision at all..... Thanks to the entire team of Spectrum Eduventures.

**UPASANA TALUKDAR, 2019 ,NEET MARKS-643, 2019 JIPMER QUALIFIER**

When I reached class 11, I decided to join coaching classes for guidance in the competition in the exams ahead. But I had to change so many centres (classes) as I was disappointed with the way they taught. Finally I joined Spectrum hoping to see something different. Classes so lively, I'd always remain intact to know what's new! Each and every concept is explained so nicely. Awesome doubt Sessions! In short, a, major reason for my success goes to SPECTRUM EDUVENTURES and our mentor Avishek sir. Thanks so much!

**JISHNU SHANKAR BARUAH, KVPY AIR 125, CURRENTLY STUDYING AT IIT BHUBANESWAR**

**TRINAYAN DAS, STATE RANK 3 IN CEE, NIT TRICHY**

I was very confused after my class 10th towards about my JEE preparation as there are many well-known coaching institutes in Guwahati. Then I heard about 'SPECTRUM': From the very starting, I got individual care which is the quality of its education system that lights it among other institutes. The education system is such that it brings out the potential in students and convert it into success. Regular tests conducted by Avishek sir helped me to strength my weak areas. I give my credit of my success to all the teachers of Spectrum especially Avishek sir.
